Report of Principal and School Improvement Council

Little Mountain Elementary, an historical community school strongly supported by parental and community involvement, is the educational setting for 404 "Winning Wildcats." Our school was recognized for receiving the Palmetto Gold Award for general performance and the Palmetto Silver Award for closing the achievement gap, as well as receiving the status of Adequate Yearly Progress (AYP). Our leadership and data analysis team uses data results from PASS, MAP, Dominie, and other formative classroom assessments to carefully make strategic decisions such as offering small group intensive reading intervention for at-risk students in grades K-2, creating a school writing team that will enrich and provide professional development opportunities to enhance the school's writing program, integrating a balanced literacy program, and offering hands-on experiences in math and science. Exemplary character and high academic expectations for students are maintained through our implementation of Positive Behavioral Intervention and Supports (PBIS.) The consistency of this program is seen throughout the school with school-wide expectations in the classrooms, hallways, cafeteria, auditorium, and on the bus. At LME we put our best "PAWS" forward: Personal Best, Act Responsibly, Work and Play Safely, Show Respect. School-wide events are offered through the collaboration of school personnel, PTO, and SIC members. Some of those events offered this year were the ProKids Show, in support of our PBIS initiative; a Wildcat Fun Run, highlighting staying healthy; and family math night, featuring the Mini Metric Olympics. Our students are encouraged to participate and learn about various community services which include: collecting non-perishable food for the Manna House, Relay for Life, Santa Paws (providing goods for our local animal shelter), Pennies for Patients, and St. Jude's Math-a-Thon. We had fifty-six students that participated in the Afterschool 4-H Shamrocks and sixty who participated in the Good News Club. Goodies for Grands, Muffins for Moms, and Doughnuts for Dads are some of the events that took place at LME to thank our supporting community. Our school has one teacher that serves on the CERRA's advisory board and a teacher that has been accepted to attend the Science P.L.U.S. Institute at Roper Mountain Science Center. LME's faculty is committed to teaching today's students to become tomorrow's leaders.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	99.0
Overall Grade Conversion	A
