## Report of Principal and School Improvement Council

F. J. DeLaine Elementary is an integral part of the Wedgefield community in Sumter County. Currently, we educate and nurture 130 children from kindergarten through fifth grade. Our mission is to promote lifelong learners while utilizing the ABC's: Academics, Behavior, and Character. We envision building a legacy of academic excellence and social responsibility, one student at a time.

At DeLaine, our staff is highly skilled and dedicated to the success of all students. We have a continued commitment to educate and provide our students with standards-based learning experiences. Therefore, various research-based and instructional "best practices" and approaches are implemented across the curriculum to broaden the students' academic performance. Promethean boards and computers, which aid in the academic experience and provide for active student learning, are utilized on a daily basis. Weekly grade level planning with the curriculum coach is held to fine-tune classroom lesson plans. All students participate in the Early Morning Tutorial, which provides extra practice in reading/language arts and math.

Parents are welcomed and encouraged to become active members of the PTA and attend our Family Reading/Math Night activities. Workshops are scheduled through our Parent Resource Center during the school year to encourage and assist parents in preparation for helping their children at home. Continuous communications between the school and family is promoted through our student-parent handbook, monthly newsletter, weekly and/or daily progress reports, and parent-teacher conferences, which are held three times during the school term.

We have met AYP for the past five years and have been recognized by the EOC for closing the achievement gap for historically underperforming groups of students for the past four years. In 2007, we were the recipient of the Red Carpet Award presented by the SC Department of Education. In addition, the State Board of Education and the South Carolina Department of Education recognized DeLaine for outstanding student academic performance for excellent results in closing the achievement gaps and declared the school a Silver Award recipient in 2011 and 2012.

Dr. Roosevelt O. Miott, Principal  
Valerie Gipson, School Improvement Council Chairman

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>94.5</b>
<b>Overall Grade Conversion</b>	<b>A</b>
