Report of Principal and School Improvement Council

We had another great year at Millwood School. We have continued to build on our tradition of excellence through the collective hard work of our parents, teachers, and students. Our 2011-2012 school year held many successes, and we are proud of the numerous accomplishments of our students. Our PTA had another fantastic year with a myriad of activities and programs for our students and teachers. We appreciate the support our PTA has given us through its volunteer program and financial assistance which work together to help us enjoy so many successful programs for our students and teachers. Our PTA sponsored its ninth annual Read-A-Thon lasting two weeks. Students received awards based on how much they read during the Read-A-Thon. This is a great opportunity to encourage students to do more reading. We truly appreciate the efforts of our PTA.

This year our Accelerated Reader Program was a huge success as our students continued with the establishment of "personal goals". More students than ever before were successful in attaining their goals and were rewarded with special Accelerated Reader Parties. Our School Improvement Council met each month this year providing input on several issues, including our Title One Federal Programs and our School Improvement Plan. Our faculty and staff continue to provide excellent instruction and learning opportunities each day in the classroom. In order to improve instruction, we assessed students using the Measures of Academic Progress (MAP) test. An analysis of these tests allowed us to group students based on academic achievement. Our MAP groups allowed teachers to provide differentiated instruction for students at differing achievement levels. As in previous years, our character education activities included a character development "word of the week" which was discussed on the morning TV show each day with the students and reinforced by teachers in classroom activities. Positive reinforcement for good choices and respectful behavior was provided for students through our Terrific Kids, Magnificent Mustangs, and Citizens of the Month programs, which rewarded students for appropriate interaction with their teachers and classmates.

We are always glad to have visitors and volunteers at Millwood School. We need the involvement of parents and community members. The education of children is always best achieved through teamwork. We need you on our team. Perhaps you might consider serving as a volunteer or as one of our Millwood Mentors and tutor some of our students. As always, we hope to see you soon at Millwood School.

Dr. John B. Hilton, Jr., Principal
 Mrs. Marirose Moran, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
