REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Dear Parents and Community Members,

Working at Hunley Park Elementary is a privilege! Many families in the surrounding area have asked special permission to attend our fine school. This tells me that they have confidence that our staff provides a world class education on a regular basis. We appreciate this reputation very much! A good reputation takes years (and great teachers, students and parents!) to create.

HPE did not meet AYP in 2011. We missed AYP based on PASS scores in Math for some of our subgroups. Based on this information, we focused on Math year long during our grade level team meetings. We also restructured our after-school tutoring program to address math only, using a very specific math curriculum, Math Steps. We believe that this has been beneficial and will enable HPE to meet its academic goals this year.

We owe a great deal of our success to our school-wide PBIS initiative and its effective implementation by our teachers and staff. We have won the PBIS exemplar award (the highest PBIS award!) for four years straight and we have applied for this award once again this year. Our SET score PBIS was 100 for this year!

Our Response to Intervention program is still benefitting our students greatly! We registered a 0.4% retention rate this past school year. This is well below "schools like us", as stated on our 2011 state school report card.

We are currently analyzing our data received from the Studer group based on students, parents, and teachers satisfaction to plan for our next school year. We are simply looking at our strengths and our areas of growth. We will plan well to attack our areas of need. We have very high expectations!

Thank you very much for your continued support for Hunley Park Elementary!
