REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ashley River Creative Arts Elementary School continues to focus on curriculum as we strive for academic excellence. The state standards serve as a guide as we work toward assessing each child's individual needs. This standards-based approach combined with our integrated arts emphasis enhances learning for all children.

Our PASS scores validate our work in the classroom. Our Excellent/Excellent Report Card was celebrated. We continue to strive to move all students to the exemplary level while recognizing that every child has his/her own style and pace of learning.

Our staff is energized and motivated to work hard to offer children a variety of opportunities to experience learning and the arts. Artists Becky Becker, Laura Rich, Timmy and Susanna Abell and Sigrid Hice worked with our students during the year. Their work was showcased onstage and in classrooms. We are grateful to you, our parents, for your support in providing the funding for these exceptional artists through our Arts in the Basic Curriculum Grant. Our special area teachers and classroom teachers collaborate together to connect residencies to curriculum.

School Community Council continues to focus on maintaining a Healthy School. This year we installed exercise equipment and planted native plants in the fall and spring. The Distinguished Arts Grant (DAP) funded an amazing professional development with Beth Radford of Focus 5 for teachers. The grant also funded lighting and sound equipment for the Black Box and will provide funding for an outdoor theater next school year.

Your time and support are vital to our success. Ashley River is your school, and our students are your children. By working together, we can create an environment desired for every child. We are indebted to you, our parents, and to the community. With your continued support, we will strive to fulfill our mission of integrating the arts to provide students with a strong academic curriculum.
