REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Mt.Zion Elementary School, working in partnership with students, staff, parents and the community, is to ensure that all students are provided a high quality education through curriculum that utilizes approaches based on content advancement, analysis of abstract themes or concepts, development of complex thinking processes, and transformation of learning into creative products.

Our focus this year will be on the implementation of STEM. This is a way of incorporating science, math, and engineering into all academic subjects. We hope to better prepare our students for the world of the future through the integration of STEM activities.
