REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Johnsonville Elementary School had a fulfilling 2011/2012 school year.

Our students continue to excel each and every year. The Duke University Talent Search recognized students this past year for their academic excellence. The SC Elementary Honors' Choir was represented by one fourth grader this year for her artistic talents. Excellence continues with our students through their character building activities throughout the year entitled "Have You Filled a Bucket Today?" Our "Sparks" worked hard in helping with causes such as St. Jude's Children's Hospital, Johnsonville Fire Department, food drives for Caring and Sharing, and clothes drives. The generosity of our students and community has been phenomenal.

Excellence is also noted in the accomplishments of our teachers. Two more teachers received National Board Certification while one other was recertified. One teacher received recognition through the STAR program and another was selected to participate on the McGraw-Hill National Science Advisory Panel. Several teachers received grants from DonorsChoose.org, and others completed or continued course work on higher educational degrees.

Without the support of a great community, parents, and volunteers, Johnsonville Elementary would not excel as it does. A sound curriculum, an outstanding faculty and staff, and an exceptional student body all aid in making JES the great school that it is.
