REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Robert E. Cashion Elementary School is a beautiful facility that opened its doors in August of 2003. The school owes its heritage and thanks for a strong foundation to one who lovingly and professionally served students of Greenville County for 40 years, Mr. Robert E. Cashion. The school is located in the Southern end of Greenville County on Fork Shoals Road across from Bonnie Brae Golf Course. The new facility serves students in four year old kindergarten through fifth grade. The school received a Southern Association of Colleges and School Accreditation Peer Review during the 2005-06 school year. The review team rated the total school program as exemplary, and recommended the school's continued accreditation. In the spring of 2009, the School District of Greenville County received National Accreditation. Since Robert E. Cashion Elementary opened as a new school with a newly formed student population, the 2003-04 BSAP test scores had established the baseline data. The 2008-09 school year ushered in a new assessment, the PASS. During the years of PACT and the two years of PASS, our test scores have continued to affirm that all students are achieving. The school's Absolute rating has remained average over the last eight years. The school's Improvement rating has also been average for the last two years. And, the school met all AYP objectives for the 2011-12 school year. The staff at Robert E. Cashion continues to pursue the goal of providing each student with the skills necessary for academic success. We are continuing to do yearly need assessments to determine the best ways to meet the academic needs of all our students. As a result of our needs assessment, we will be focusing on the following goals for the 2012-13 school year: Using effective methods and instructional strategies that are researched based to strengthen the core academic program; increasing the quality of learning time; providing high-quality and ongoing professional development for teachers that support best practices for teaching all academic subjects; and increasing parental and community involvement in the school. The school staff, students, parents and community partners work consistently to convey a caring and nurturing atmosphere where positive social, emotional, physical and educational growth of students is apparent. It is the mission of the school to see that our COMETS and staff are "Lighting the Way to Achievement and Dreams!"
