Percent satisfied with social and physical environment	100.0%	95.5%	88.0%
Percent satisfied with school-home relations	95.8%	93.2%	70.4%

\*Only students at the highest elementary school grade level at this school and their parents were included.

**REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL**

Clinton Elementary prides itself on fostering an environment that promotes the students' confidence in themselves as scholars and emphasizes their importance as viable members of the community. We are committed to providing every student with a quality education that meets the needs of each individual. We are dedicated to working cooperatively with parents and community members to provide the best education possible for our students.

Our initiative for the 2010-2011 school year was to continue to increase the amount of independent reading accomplished by our students. Through extensive, on-going professional development and by using a rigorous curriculum our school made gains in historical underachieving groups in all subject areas. Our teachers implemented innovative teaching strategies in the classroom that are closely aligned with the Common Core Standards to increase the achievement of our students in the area of reading and math.

The high rate of success manifested by our students has earned us local, state, and national recognition. Clinton Elementary has been recognized as one of the top fifteen schools in the US by the American Reading Company. Clinton was named as one of the top three finalists for the Dick and Tunky Riley WhatWorksSC Award for Excellence presented by the Riley Institute at Furman and South Carolina Future Minds, in conjunction with the South Carolina State Board of Education and the South Carolina Chamber of Commerce. The staff of Clinton was also recognized for their hard work and dedication to conducting professional learning communities. Learning Forward and Corwin Press announced Clinton Elementary as the winner of the Shirley Hord Learning Team Award during the annual summer conference in Indianapolis.

We are proud of the continuing accomplishments of our students and staff. These achievements are direct results of the dedication our staff, the hard work of the students, and the support of parents and community. Our responsibility for educating our children is to work together as a team – the school, parents, family members and students. We all need to make our best efforts individually and as a group to support our students, believe in their ability and potential, and create conditions for their success.

Rachel Ray, Principal  
Calita Taylor, SIC Chairperson
