REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Throughout the 2011-2012 school year, Chapman Elementary School has remained focused in its data driven approach that fosters academic growth for all students. . The Chapman Elementary family was thrilled to be named a Palmetto Sliver School for the second time in three years. This award is bestowed by the state to schools whose students have shown substantial gains on the PASS test. The utilization of Measures of Academic Performance data along with Domine testing provided teachers with the necessary information to meet the individual learning needs of all students. The in-depth focus on scientific-based strategies has enhanced our daily instructional delivery in the classroom to ensure student success.

Chapman Elementary continues to ignite the curiosity of the technology-minded student. The infusion of technology into a balanced curriculum enhances and enriches the academic program and gives students a vibrant 21st century learning environment. On a daily basis, the use of technology is integrated into the curriculum, and connections are made with the use of real-world technological applications designed to allow students to become effective problem solvers and communicators. With all classrooms at Chapman equipped with state-of-the-art interactive technology equipment, students are able to research, apply, and present what they are learning in creative and cutting-edge ways.

Programs such as RIF, Accelerated Reader, Classworks, educational trips, and Boys and Girls Club support and strengthen the standards-based instruction that our teaching staff provides daily. Additionally, a strong and active Parent Teacher Organization, Student Council service projects, Environmental Club projects(which earned the club the distinction of Disney Planet Challenge State Winner), and mentoring relationships with AmeriCorps, local businesses, and churches help our students gain a strong sense of community.

Our students embody the school motto: Chapman Chiefs are Learners Today, Leaders Tomorrow!
