REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

York Intermediate School serves fifth and sixth grade students in York School District One. Our mission statement is, "Working with the community, we will provide a diverse, innovative education in a safe environment enabling students to become responsible citizens in a global society."

During the 2011-2012 school year, our school experienced several successes during our second year as a 5th and 6th grade Intermediate School. We are proud to say that our school district received accreditation through Advanc-Ed. According to the Advanc-Ed report, "The school/school system performs at or above expected levels on all standards and requirements of the accreditation process." We received the 2011-2012 Palmetto Silver Award for improving student achievement and closing the achievement gap based on our PASS scores. Our students showed significant academic growth from Fall to Spring MAP testing in both reading and math. Our PTO organized and assisted with two very successful school fundraisers which allowed us the opportunity to purchase additional library books, student supplies, and student incentives for honor roll and perfect attendance.

York Intermediate School's primary focus this year was to maintain focus on our four district goals which consists of: Data Driven Decision Making, Promoting Literacy in all content areas, Extra Time and Extra Help for all students, and Increase use of technology in all classrooms.

To assist our teachers with these four goals, we participated in Professional Learning Communities twice a month facilitated by our school's Literacy Coach and Principal. These meetings not only allowed our teachers an opportunity to collaborate and plan together, they also allowed our teachers to interpret student data, identify strategies to differentiate instruction, increase use of technology in the classroom, and promote literacy across the curriculum.

For the 2012-2013 school year, we will continue to utilize MAP testing and the Descartes continuum to interpret student data and plan for instruction. Teachers will continue to differentiate instruction so that we can meet the needs of all our students. Literacy will continue to be a major focus at York Intermediate School. Our literacy coach will work with all teachers to provide lessons and best practices to use in the classroom. We will continue to set aside time for independent reading and student conferencing. Our teachers will continue to utilize technology through Promethean Boards, Document Cameras, and other sources of technology. Last of all, we will continue to provide students "extra time and extra help" through after school programs, Classworks computer assisted program, Math Prep and ELA Prep.

York Intermediate School is dedicated to "Sparkling Potential and Inspiring Success" for all students.

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.
