Four students were chosen to participate in summer leadership programs. Two seniors received the Academic Honors Award from the State Department of Education. Sixty-One students were recognized as Career and Technology Completers. One student received perfect attendance for twelve years. Our Academic Bowl Team won the Science and finished second in the district competition. The band placed 8th in the All-State Band Competition. Several students were selected for the All-State Band. The Health Occupations classes organized a blood drive for the school. In athletics, six students received scholarships in their respective sports. We had sixty-two All-Region selections and fifteen All-State selections. The Softball team won the State Championship. The Football, Wrestling, Girls Cross Country, Baseball, Softball, Girls Track, and Boys Golf were Region Champions.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
