REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Williston-Elko High School is the only school in a rural district serving the towns of Williston and Elko and the surrounding areas of Barnwell County. The school and community work closely together to meet the needs of all students in providing a quality education that encompasses a broad range of instructional programs and extracurricular activities.

The school is proud of its many achievements and does not let our small size limit our accomplishments. This past year, we received "Full Accreditation" through our quality assurance visit from the AdvanceED team (Formerly SACS). Our graduating class received over 1.4 million dollars in academic scholarships. Many students achieved success in various academic and vocational competitions around the state. Our band made it to state competition and our drama department put on an outstanding performance of Brigadoon. Our athletic teams and athletes received many honors this year, including region titles in football, tennis, and golf.

We continue to expose our students to the world of higher education and work. We had a College/Career Day featuring local and area colleges, universities, and businesses. Many students participated in job-shadowing opportunities, with numerous students obtaining employment through the School-To-Work Program. Our students and staff contribute to the community with various charitable activities: including 2 blood drives, recycling projects, and fundraisers. We continued to bring in local agencies and organizations to provide needed services and assistance for our students.

We are very proud of the year we had at Williston-Elko High School. Our students, staff, parents, administration and community are committed to the mission of working together to make our school the very best it can be. As we proclaim in our new vision statement: Our Students, Our Community, Our Future, TOGETHER!
