REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Hilton Head Island High School community had much to celebrate during the 2011-2012 school year. We were selected as finalists for the SCASA Palmetto's Finest Award in January and then announced as the winner of the prestigious award in March. Ms. Chris Gray, math teacher, was chosen as Beaufort County School District Teacher of the Year. We also earned the Gold Award for performance goal achievement and the Silver Award for closing the achievement gap from the State Department of Education. Additionally, our International Baccalaureate Middle Years Program was authorized, which was extremely important to support one of our school's primary goals: growing the International Baccalaureate Programme as the academic foundation of Hilton Head Island High School.

The HHIHS IB Programme did continue to grow and garner support from the community in 2011-2012. We increased enrollment in IB courses and held our second annual HHIHS Marketing Day, which educated local business leaders and community members about how the IB curriculum and its global approach benefit both students and the local community.

We maintained and grew programs and policies to support students who are at risk of not succeeding academically, which included preferential course scheduling for many ninth and tenth grade classes, free tutoring both on campus and in targeted neighborhood locations, and mentoring opportunities through organizations such as AVID, Junior Images and the Gentleman's Club, whose goals include supporting young people in all areas of their lives while in high school. We know these programs were successful on many levels as our HSAP and EOCE passage rates continued to steadily improve this year.

Athletics and extra-curricular activities have always been exceptional at HHIHS, and that tradition continued in 2011-2012. For the second consecutive year, we won the South Carolina Athletic Director's Cup with team state champions in girls' swimming, girls' tennis, boys' cross country, and girls' soccer and individual state championships in girls' swimming, boys' cross country, and boys' track. Also, our Navy Junior ROTC was selected as a "Distinguished Unit," placing it in the top 20% of all NJROTC units nationwide. Twenty six students participated in the Beaufort All-County Band. Additionally, the band received the highest rating of Superior at the BCSD Concert Festival, the SCBDA Jazz Festival, and the SCBDA State Concert Festival. Our students were recognized for excellent work through Model UN, Interact, and numerous honor societies. Students in our Visual Arts Department were awarded over \$83,000 in scholarships from a multitude of competitions, including winners in the prestigious Young Arts - National Foundation for Advancement in the Arts Award and the Scholastic Art & Writing Awards. One student won the Artsonia competition, and her drawing was featured on an enormous screen in New York City's Times Square. Also, three performing arts students were selected through audition for the Southern Division American Choral Directors High School Honors Choir.

Administration, faculty, students, staff, and community members are quite proud of the many accomplishments and points of celebration at Hilton Head Island High School this past year. It was a banner year for all Seahawks!
