REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

With more than 49 years of history behind it, JL Mann High School, Academy of Math, Science and Technology, continues to be a model of excellence in the Greenville County School system. With an enrollment of over 1657, the accomplishments of its students and staff provide a source of pride to the district. Working closely with various community groups, Mann's reputation both academically and athletically has continued to rise while serving as one of the district's Magnet Program schools.

Academically, JL Mann's graduating class of 2011 established themselves as a stellar group. The Class of 2011 received \$5,741,000.00 in higher education scholarships, recognized 24 Palmetto Fellows, 1 National Merit Semi-finalists, 15 Sirrine Scholars, and 39 AP Scholars. With these continued gains in merit scholarship monies, it is evident that Mann is advancing the overall achievement of all students. In addition, the staff at Mann prides itself with 8 Nationally Board Certified Teachers with others in progress. An "Excellent" rating on the School Report Card indicated gains in numerous sub-categories. A focus on providing additional academic help this year resulted in providing common planning periods for teachers in core subjects. In addition, a remedial program aimed at HSAP was established. An after-school tutoring program, Extra Mann Power began offering transportation home, while the National Honor Society members initiated a list of available peer tutors. Mann continues to recognize outstanding performance on AP exams with the AP Hall of Fame plaques for the ninety-nine students who were recognized as AP Scholars.

The fruits of Mann's educational labors continued to shine outside the classroom this year. As a magnet school for technology, involvement in the Nationally Certified program, Project Lead the Way, allowed students the opportunity of college credits through PLTW coursework. The Art Department continues to attract the finest talent in the area, and once again won Greenville's "Open Studio Art Award". The Mann Science Fair proudly continues to be one of the largest in South Carolina, while the ROTC program has proven its excellence at State and National levels as well. In the fall, PTSO sponsored the program "Challenge Day" for over 300 students, which was aimed at breaking down barriers among students and promoting diversity and acceptance. Mann continued its working relationship with the technology community through contacts at ICAR and Women in Engineering.

Patriot Pride was clearly present during 2011-2012 among the student body. Efforts during Spirit Week raised \$126,072.98 for the Arizona Charities and the Mac Foundation. Mann's athletic teams proved how competitive they were as they entered their second year as a 4A school. Both Girls' Swimming and Girls' Track brought home State Championships, while Boys' Tennis and Boys' Soccer won state championships as well.

With all the valuable strides JL Mann has made over the years and with the continual strive towards constant improvement, the school is ready to meet the challenges of the next 50 years with innovation and enthusiasm!
