REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Located in suburban Greenville County, Riverside High School is a AAAA traditional high school serving a student population of 1520 students. Riverside offers a rigorous academic program with three levels of instruction and has a continued goal to maintain high expectations for all its students. Having received the honors of Palmetto's Finest High School and a Flagship of Promise, Riverside emphasizes and challenges all students to improve and succeed in reading, mathematics, and critical thinking skills. The 2011-12 school year proved a very successful one as Riverside met Annual Yearly Progress and received "Excellent" ratings for both Absolute and Growth on the 2011 School Report Card. Riverside has continued to maintain a high SAT average for its senior class. The latest score for 2011 was 1597 which was above both the state and national averages. The faculty developed a strategic plan to integrate extensive practice of critical reading and math skill during a daily designated reading period. Through this emphasis, the goal is to increase the reading, writing, and math scores with students in grades on the End of Course and the HSAP along with the SAT, ACT, and Advanced Placement scores for grades 11 and 12. The 2011-2012 student body brought many honors and accomplishments to the Reservation. The Youth in Government delegation received "Outstanding" designation and had the third consecutive youth governor elected. The Speech and Debate team received First Place in South Carolina. The Class of 2012 had three National Merit Finalists and was awarded over \$13 million in college scholarships for the next four years. 100% of the class passed HSAP to graduate. Thirty-four athletic teams entered AAAA competition and placed as state runners up in boys' and girls' swimming and girls' lacrosse. The Class of 2012 also had four graduates recognized by Greenville County Schools for their academic and leadership to Riverside High. To meet the growing need to invigorate the curriculum for grade 9 students, the faculty continued offering single gender classes in all four core academic areas and Physical Education. A yearly evaluation has revealed a noticeable increase in grades, attendance, discipline, and End of Course scores for 2011. The community has served as an invaluable partnership with the faculty students. 2011-2012 was a very busy year for parent and community involvement. The student council led the student body in 47 activities to raise money for the Wounded Warrior Project during Spirit Week. With the assistance of the Riverside community, the school raised \$83,160 to help over 800 families. Parents, also, contributed thousands of hours working athletic events, in the school store, and during lunch shifts. Even with a much larger facility and more students, Riverside continues to strive to maintain its high level of academic excellence to meet the needs of all students.
