REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The faculty and staff of St. James High are dedicated to the belief that all students deserve a rigorous, relevant, and engaging high school experience. These unwavering high expectations extend to all aspects of our school, including academics, arts, and athletics; and it is this understanding of high expectations that continues to inspire greatness in our students and teachers. Our end-of-year-course, exit exam, Advanced Placement, and SAT/ACT scores continue to exceed district and state averages, for which we were recognized with the Palmetto Gold award. We are also taking steps to expand our Advanced Placement and CATE programs to ensure that all students who graduate from St. James High possess the skills necessary to enter college or the workforce without the need for remediation. On the field and court, our sports teams have enjoyed tremendous success, including six region championships over the course of the previous school year. Our award-winning Army JROTC unit has installed a top-end ropes course, and we continue to receive numerous accolades in our visual and performing arts programs. Above all, we are dedicated to preparing students for the world of challenges and changes that they will encounter beyond our halls. Like true sharks, we continue to move in only one direction-FORWARD!
