REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Richland One Middle College (ROMC) is a true community school. We have achieved Red Carpet School status by providing a culture of excellent customer service as well as establishing high expectations for all stakeholders. ROMC served as a 21st-Century Community Learning Center site serving the needs of students and families through Project LIFT, Learning Innovations Focused on Technology. ROMC's Foundation continued its support of the "Building Better Communities One Student at a Time Campaign", which funds early start scholarships, internships, and laptops for all students. ROMC continues to be supported by our collaborating partners Richland School District One and Midlands Technical College, to maintain an early transition college on the Beltline campus of Midlands Technical College. This unique innovative educational concept is also supported by the business community to provide students a seamless transition from high school to post secondary opportunities.

GUARANTEED STUDENT SUCCESS FORMULA (GSSF): ROMC guarantees student success. The overriding goals of ROMC's Student Success Program are to increase academic achievement by connecting classroom activities to real world experiences; to promote career awareness, exploration and preparation, as well as to develop character and leadership qualities through community service learning. The evidence of ROMC's GSSF is in the 2011-2012 numbers. ROMC's graduating class of seventy (70) boasts a 100% completion status, 100% dual credit accrual, 90% college acceptance, and the completion of more than 16,000 hours of community service. They also earned more than \$1,000,000 in scholarship awards: inclusive of twenty-one (21) Life Scholars and eight (8) Hope Scholars.

ROMC continues to actively engage all students through the rigor of project-based learning with the Senior Capstone & Junior Keystone Projects; ROMC Reads!, a school-wide literacy initiative providing all students with books to build personal libraries; and a very technology-rich environment where all students use personal laptops with wireless capability for learning and citizenship in this digital century. ROMC also utilizes the High Schools that Works Model as its transitional reform model.

Other exemplary features of the 2011-2012 year include the completion and enhancement of student profiles for all students; fifth annual Fall Expo and eight annual Academic and Career Excellence Banquet and Exhibition, events celebrating student academic work and achievements; 4 school-wide days of community service; 6 student success seminars and student ambassador leadership trainings; 2 school-wide days of job shadowing; 4 college tours; a rigorous A, B, C, I, NC grading scale; and the highly effective Advisor/Advisee and Extra Help/Extra Time student sessions.
