Report of Principal and School Improvement Council

The 2011-2012 school year was another successful and exciting time for Cherokee Trail Elementary. Through the hard work of our students and the strong dedication of our teachers, Cherokee Trail Elementary was the proud recipient of a Palmetto Gold Award for Academic Performance from the State Department of Education. This achievement was possible because of the commitment of the parents, the students, and the teachers to the educational process. We will continue to improve our academic program even in this time of school budget shortfalls. We will strive to ensure that the needs of every student at our school are addressed in a caring and professional manner.

Our students have been recognized for a variety of accomplishments during the 2011-2012 academic year. Ten students participated in the Duke Talent Identification Program. A fourth grade student placed sixth in the Regional Spelling Bee. Cherokee Trail teams won first and second place in the state while competing in the Cybermission on line math and science competition sponsored by the US Army.

Our faculty, staff, and students volunteered their time and efforts in school-wide and community projects. Cherokee Trail Elementary collected and contributed food for the annual Due West Community Thanksgiving Dinner, for the Connie Maxwell Children's Home, and for the needy families at the school. The Junior Beta Club also collected additional food for the United Ministries Abbeville Food Bank. A substantial cash donation was raised by our young folks showcasing their athletic ability for Hoops for Hearts. These projects were successful because of the willingness of our students to give to those in need.

Angie Nickles was honored to be chosen as Teacher of the Year by the faculty at Cherokee Trail Elementary. She will represent Cherokee Trail in the District Teacher of the Year.

We appreciate the service given by Erskine College students who help tutor many of our students and by the Erskine Athletic Department for their sponsorship of Field Day. Similarly, we want to recognize the Terrific Kids Program, sponsored by the Due West Lions Club, which continued to recognize outstanding students at our school.

Our PTO and School Improvement Council are sincerely appreciated for their contributions to our school. These organizations enhanced our school with additional monetary funding. They supplied us with individuals who volunteered on a weekly basis and sponsored special student activities throughout the year.

Angie Nickles, School Improvement Chairperson

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	95.5
