Report of Principal and School Improvement Council

Charleston School of the Arts takes great pleasure in announcing that we have been recognized as one of the top tier schools in our state. We most recently were recognized with a National Gold Medal by US News & World Report as well as placement in the Nation's Top 1000 Schools from Newsweek Magazine. These recognitions are based on several high performance factors and ratings. Ninety-four percent of our senior student class will be pursuing post-secondary opportunities. We continue to take great pride in our academic rankings and performance-based recognitions. Moreover, we continue to be very proud of being viewed as one of the top-performing schools in the nation.

The fine arts programs in our school have received national acclaim. Creative writing and visual arts students have again been recognized in New York with top national awards from the Scholastic Company. Ratings of "Superior" have been bestowed upon our students at nationally adjudicated band, orchestra, and vocal music competitions. Additionally, our student theatrical productions, dance performances, and piano recitals are magnificently presented and continue to endow our school with honors and awards.

Performance scores from College Board in our nine Advanced Placement courses rank us among the highest in the district and extremely competitive statewide. Achievement and performance measures from MAP, HSAP and End of Course assessments remain equally impressive as an indicator of high student achievement. This year also provided us with the opportunity to celebrate in receiving the 2011 SC Palmetto Gold awards for outstanding achievement and for reducing the achievement gap between student populations. Student achievement and peak performance has allowed our senior class to receive over 6.9 million dollars in college scholarships this past year.

We are proud to have a diverse population that is represented by students from every corner of Charleston County. Our current enrollment sits at approximately 1053 exceptional students. Our students bring unique talents and quality personal experiences that enrich our school in every way. All of our students are highly creative and independent thinkers who understand the power of collaboration in solving problems. Students are regularly challenged to critically analyze and hypothesize within an authentic instructional environment. We strongly believe that the culture and climate within our student-centered school community provides an experience that supports our expectation of personal best student performance at the School of the Arts. Superior student achievement is exemplified through a perfect blend of academic and artistic excellence in a unique sixth through twelfth grade setting.

At School of the Arts, we not only believe that dreams can come true, but we regularly turn our dreams into reality. Students, staff and parents work as a team to keep a sharp focus on accomplishing common goals and realizing the mission of our school. Shared vision, dedication, passion, creativity and collaboration are required to achieve and meet our goals.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	100.0
Overall Grade Conversion	A

60-69.9	D	Performance does not meet the state's expectations.
