Report of Principal and School Improvement Council

The 2011-2012 school year has been a great one at Latta Middle School and we have many accomplishments to be proud of.

This is our Fourth year of offering Algebra 1 to all 8th grade students. Last year we scored above the state average on the End of Course test for Algebra 1 in our second attempt. We have also offered Physical Education and Keyboarding for high school credit.

We have continued with the Viking Laptop Academy. Through this initiative we have issued a laptop to every eighth grade student and provided the services of an Instructional Technology Coach to strengthen the technology proficiency of both students and teachers.

We are in the second year of the gifted and talented art program. Five of our students were selected as Junior Scholars.

We were able to achieve these levels because of the efforts of an excellent teaching faculty, the support of our parents, the efforts of our students, and the trust that exists between the schools and the people of our community.

While we have accomplished a great deal this past academic year, we look forward to the challenges of the 2012-2013 school year.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	90.2
