Report of Principal and School Improvement Council

Riverside Middle School, with its dedication to teamwork has consistently served its community of learners as one of the premier middle schools in the state. We do this by maintaining a rigorous curriculum and a strong relationship among school, home, and community. In 2010 we were named a Palmetto's Finest School, a Palmetto Gold Winner and a Red Carpet Award School. Additionally, we have been an Exemplary Writing Award School for the last thirteen years and were named a PTA Parent Involvement School of Excellence in 2004. Most recently, in 2010 we achieved an Excellent/Excellent rating on the school report card demonstrating that our focus on academic rigor and improved communication with the home and community is having positive impacts on student achievement. We are particularly proud of our School Report Card ratings considering the fact that our school is already significantly above the district and state average in PASS and MAP testing. This is an indication that we are constantly striving to improve. We not only excel academically, but we also have strong art, club, and athletic programs. Our students consistently achieve top prizes and awards in band, strings, chorus, and art classes. Our art programs are represented in all county, all state, and all region performances as well as through the district anti-drug calendar where students from Riverside Middle consistently have work chosen for the annual calendar. We claim top prizes through our clubs as well, most notably through our National Junior Beta Club, math club and Model United Nations program. At Riverside Middle, our mission states that through cooperation with the home and community, we will provide opportunities which prepare students intellectually, socially, emotionally and physically to become productive and responsible members of society. We strive to educate students to be well-rounded and to place excellence as their primary goal in all their endeavors, whether it is academically or through their extra curricular activities. Furthermore, we fully appreciate the power of having a strong school to home and community relationship. We work to communicate via monthly newsletters, automated phone calls to each home, teacher websites, email blasts as well as school and PTSAs websites. We host many functions aimed at drawing the community closer together. We are especially proud of our Breakfast with moms, Breakfast with dads, PTSAs Family Fun Night, and IMove (5k run) programs. We realize that resting on our previous achievements undermines continued growth and excellence. This is why we make use of the Making Middle Grades Work model and parent organizations such as the School Improvement Council to continuously strive towards school improvement. We understand that including parents and community leaders as part of our continued improvement is needed to maintain our level of excellence. We consider it a privilege to work with our students and families.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea> or request this information from your child's district or school.
