Percent satisfied with school-home relations	I/S	82.5%	81.7%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hilton Head Island Stingrays began an exciting 2011-12 year with Stingray 101, a weeklong student orientation. Designed by the staff, the program supported student success and addressed issues such as bullying, character building, and the challenges of the middle school years. Our students brought home many trophies and awards this year from their participation in Robotics, Rocket Club, Beta Club, Band, Orchestra, Chorus, Strings and many sports teams. Many of our students were recognized by local organizations, including Rotary Club, and rewarded by our community. One HHIMS students was recognized in the SC PTA Reflections program in the middle school division receiving first place in film. The first HHIMS robotics team competed in the state competition. The HHIMS rocket club was one of 100 teams nationally to compete in the national Team America Rocketry Challenge in Virginia. HHIMS earned the Palmetto Silver Award for overall academic excellence in 2011.

Throughout the year staff members participated in professional development which included Reading Apprentices, Document Based Questions (DBQ), Middle Years Programme, Problem Based Learning, Read 180, and Vertical Articulation with the high school and middle school. This training supported improved teaching methods for all student levels, cross – curricular reading and writing initiatives, and enhanced technology skills. Continued instruction on the reading and writing workshop models of the BCSD Literacy Plan enabled teachers to provide effective instructional strategies and assessment practices. We currently have 14 teachers with Gifted and Talented certification, and we have 10 National Board Certified teachers.

All teachers received new laptops and iPads will be available for student use in fall, 2012. This past spring Hilton Head Island Middle received authorization as an International Baccalaureate Middle Years Programme School. The Positive Behavior Intervention and Support program (PBIS) entitled RAYS (Respect-Awesome Attitude-Yearning to learn-In order to meet with Success) continues to provide positive behavior intervention strategies and recognizes students modeling appropriate behaviors.

We are thankful for our outstanding PTA, SIC, and Sports Booster Club who continue to generously support HHIMS. Our parent support groups and volunteers are vital components for our rich culture and continued success of our Stingray students. We remain dedicated to continued progress in our academic achievement goals in the next school year in support of the District's Strategic Plan.

Dr. Ellen Boney, School Improvement Council Chair
Jim Shirley, Principal
