REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Beaufort Middle was designated Palmetto's Finest Middle School in 2012! Academics, the arts, and our community guided our course for success. We received Palmetto Silver Award honors, and Spring MAP scores showed students successfully met growth targets. We honored 24 Junior Scholars, and 76 seventh graders participated in the Duke TIP Talent Search with six receiving state recognition as TIP Scholars. We inducted 31 members into the National Junior Honor Society; 21 students placed in the Regional Science Fair; and four students attended the SC Governor's School for Math and Science Summer Program. 31% of our students were enrolled in high school credit classes, and 32% received gifted and talented services. Twenty additional instructional days to accelerate learning, an additional Re-Learning and Re-Doing class period added to the weekly schedule, weekly advisory classes, and advanced studies in all core subjects propelled students to succeed.

BMS was the recipient of Distinguished Arts Program Grant Funding, designated as Arts in the Basic Curriculum School, and a USDA Healthier US School Bronze Award winner. Additionally, we received grants to implement a comprehensive health program and a higher education awareness program. With a focus on students remaining On Their MARK as Motivated, Accountable, Respectful, and Knowledgeable citizens, we implemented PBIS. Additionally, our first Gentlemen's Club and our first GEMS Ladies' Club began. Partnerships developed with local businesses assisted us in focusing on real-world, relevant learning. Students raised \$10,000 for charities and earned over 3,000 community service hours, while ten students documented service hours to earn bronze, silver, or gold medals in the President's Volunteer Service Program.

Forty of our students participated in All-County Orchestra and All-County Band. Fifty displayed artwork in community locations, and 25 contributed artwork or creative writing to the River of Words project. Students designed a virtual Literary Magazine accessible from our school website to feature their writing and artwork. We learned from local artists, published authors, and scholars through which sixth graders mastered the art of storytelling; 7th graders integrated music and science; and 8th graders engaged in service learning that linked drama, quilting, SC History and our local Child Abuse Prevention Association.

We are proud of the many accomplishments of our students and staff and the support of our families and community. We remain committed to maintaining rich, rigorous, safe learning environments; we look forward to embracing the challenges of integration of the Common Core and embedded 21st century skills, so that our students continue to excel and Make their Mark as 21st century citizens.
