Percent satisfied with learning environment	83.7%	38.5%	71.4%
Percent satisfied with social and physical environment	83.7%	69.2%	92.0%
Percent satisfied with school-home relations	46.5%	92.3%	79.2%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Sanders-Clyde Elementary/Middle School is a Title I school with a total enrollment of 528 students ranging from birth to eighth grade. Our unique school boasts a strong focus on arts integration with a partnership with the highly celebrated artist, Mr. Jonathan Green. This approach to teaching and learning involves using various forms of the arts to teach South Carolina Curriculum Standards.

Our school boasts a dedicated and committed faculty and a safe, nurturing child-centered environment in which to educate all children. We have supportive parents, strong mentor and volunteer programs, and outstanding community support.

We are making progress in raising our academic achievement by using instructional techniques that are best practices, honoring instruction time, involving both students and parents in the learning process, as well as providing staff development that is meaningful in enhancing the school's academic growth. Our goal is to continue to improve the number of students at the Exemplary and Met range in all academic subject areas.

Our greatest challenge has been closing the gap between primary and elementary student achievement. In order to meet these challenges, our teachers have had training in using data to make instructional decisions. We will continue to use school-wide norming data, MAP data, and Quarterly benchmark results, PASS analysis as well as AIMSWeb and Dominie screening data to improve classroom instruction. Through our use of data, we have concluded that our students need consistent instruction in the area of literacy. Therefore, all teachers in grades K-8 will receive training and implement a balanced literacy program to include Reader's/Writer's Workshop. We will continue to utilize school-wide differentiation, Study Island Computer Assisted Instruction, and the HeadSprout Phonics Program for our early childhood grades.

Sanders-Clyde continues a partnership agreement with the Charleston Promise Neighborhood and the College of Charleston in the area of professional development. Our continued focus will be on decreasing the number of students at the Not Met levels and on increasing student proficiency. We plan to accomplish this through increasing parental involvement, improving student and teacher attendance, and continuing to increase the rigor of instruction.

Anthony S. Dixon, Principal
Octavia Ford, SIC Chair
