REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Great Falls Middle/High School is a 6-12 school in the extreme southeastern corner of Chester County bordered by Lancaster County to the east and Fairfield County to the south. The school serves approximately 454 students in grades 6-12 on a campus with separate middle and high school facilities, but many common shared areas. The middle grades (6-8) underwent an extensive assessment by a Making Middle Grades Work Technical Assistant Team, and received very positive comments and suggestions. The school received a Palmetto Gold Award for Closing the Achievement Gap. As part of a faculty led plan to improve school climate and raise student achievement, a PBIS initiative was started in the school this year and ArrowPoint Credit Union partnered with the school to offer monetary support for supplies, awards, and incentives for students and faculty. The school joined with Winthrop University in the NetLead program to assist the administration in developing school planning and improvement. The combined school grade for this year was a B combined from a 79.2 from 6-8 and 92.7 from 9-12 grades. The school's mission statement Teachers Forging a Future for All Students is the primary focus of the faculty and staff in providing students with educational experiences and training that will lead them past high school to higher education, the military, or the work place. The school received over \$40,000 in a J. Marion Sims Grant that provided literacy/numeracy interventions for students in grades 7-10 who scored close to passing on HSAP, PASS, and EOC tests, and it gave students the opportunity to attend an after-school intervention program and a Jump Start program during the summer for students who needed some extra time to master literacy/numeracy skills.
