REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

"One Team One Dream" is our motto. 2011-2012 was a successful year at Long Middle School. This was the second year for the administration and the faculty met expectations. Long Middle School had two teachers achieve National Board status. Another teacher renewed their status. Five students were Junior Scholars. LMS had three students who were honored with the Young Writer's Award. The Academic Bowl team competed and did exceptionally well. Band members received a superior rating during every solo and ensemble audition.

As we focus on next year, Long Middle School will work to nurture improvements in home-school communication and focus on programs that will help meet the diverse needs of our student body.

Attempts to engage the community were conducted through the use of parent nights. Parents were informed on the dangers of drugs, gangs, positive instructional practices, and met local authors. Community involvement has been constant with PTO, SIC, and family fun night. LMS implemented a mentoring program for students who are at risk. The eighth grade hosted a career day that brought local businesses in to speak with students.

Our professional growth emphasis this year was on the common core standards. The common core standards will be fully implemented during the 2013-2014 school year. Effective instructional strategies were combined with the use of technology to enrich student engagement and motivation. Long Middle believes that it takes everyone working together on one team to make a difference in each child's life.

LMS continued to make great strides during the 2011-2012 school year. The administration, faculty, and student body continued to perform at a high level. True collaboration allowed for expectations to be met and student-centered decisions to positively affect the learning environment at Long Middle School. We invite the next set of challenges and strive for a better 2012-2013 school year.
