## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-2012 school year came in as a whirlwind of a year, but an enlightening one. We have survived the crucial overhauling of our district by joining together as a team, to strategically plan, implement, and evaluate our programs, processes and people.

Collaboratively, our SIC, PTO, and business partners worked effortlessly with the Blenheim staff to effectively contribute to the writing of the District and School's Strategic Plans. As time progressed in that effort, we then went on to form alliances to successfully help complete the AdvancED Accreditation for the district.

We feel all schools in our district, staff, students, and parents developed a great sense of pride as we discussed our strengths, weaknesses, and resources that would help us move forward in the 21st Century.

While administrators and teachers participated in various professional developments, our students engaged themselves in rigorous instruction, heartfelt competitions, while developing an understanding of how "shared culture" helps all of us achieve.

Students participated in Science Fair Competition, Academic Challenge, Dream House (Math) Competition, Regional and State Art Competition, as well as Band Competitions. Students represented the school well, and showed Eagle Pride as many of them placed as winners in their field.

With all efforts focused on instruction, Blenheim faculty was able to place more attention on the needs of each student, as a result of the small classes in the elementary grades. There were celebrations from each grade when MAP (Measure of Academic Progress) Scores and classroom assessments showed potential gain, as we prepared for the PASS Exams.

Though funding was down this year, due to our release from Palmetto Priority Schools (PPS), we were still able to provide our students and families with structured field trips, effective parenting programs and some awesome chances to celebrate. We have been successful in maintaining our business partners, and each in their own way continues to contribute to the "Cause of Education."
