## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Mayewood Middle School had a great 2011-2012 school year. We provided students with a safe and enriched environment where they were afforded the opportunity to achieve academic excellence. Our students had several opportunities to participate in both academic and social endeavors where they could hone their skills and learn to become productive members of a global society. Our teachers focused on standard-driven instruction, which afforded our students with opportunities to be successful learners.

Academically, the students have made gains in every area of the district's benchmark test. The students and staff worked diligently to meet Mayewood's academic goals. To obtain these goals, each classroom is equipped with both Promethean boards and laptops for teacher and student use. There are also IPODS available upon request.

Some of our accomplishments included seven students named USC-Sumter Junior Scholars, three students named NCDA Poetry Contest Winners, 12 students named Sumter Greater Sumter Chamber of Commerce Golden Apple Awards recipients, and two students named Evening Optimist Club Awards recipients. Our students participated in a school-wide black history project, "The Underground Railroad", where the community and others were invited to tour our school and visit different stops along the railroad.

Our teachers continue to work diligently to meet the individual needs of our students. Teachers participated in several staff development opportunities during the year to ensure their needs and their students' needs are being addressed. Our motto, "A Cut Above Excellence," certainly describes our students and staff.

John Koumas, Principal  
Cynthia Massingill, SIC Chairperson
