REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

One of the primary goals of Alice Drive Middle School (ADMS) is to produce well-rounded students who succeed both inside and outside the classroom. The school offers students advanced courses in English 1, Algebra 1 and Computer Applications for high school credit. The past school year witnessed our students achieving goals in all areas of student life, academics, athletics, service learning and other extracurricular activities and organizations. Throughout the year, the students at ADMS continued to represent themselves and the school proudly. Academically, the students in every grade made gains in each content area of MAP testing. These gains were made possible through the hard work of students and teachers. All staff members worked to implement research-based elements of a standards based classroom. ADMS experienced great success with our first school wide Sweet 16 audit. Many staff members attended professional development outside of those offered by our district.

Outstanding achievements this year included two Duke TIP Scholar winners and ten Junior Scholars. Forty-nine students qualified to take the PSAT. Alice Drive students achieved a 100% End of Course passing rate in both English I and Algebra I. Outside the classroom, our students continue to perform at an exemplary level. The girls' basketball team was undefeated during the regular season and tournament play. They are the first girls' basketball champions of the Sumter School District. Our girls' track team repeated as conference champions. The Sumter Evening Optimist Club recognized two students as outstanding youths in the Sumter area. The band received an Excellent rating at the SC Middle School Concert Festival. They had five students selected to Region 5 Honor Band and two students for All-State Band. We received 26 Superior and 14 Excellent ratings at the SCBDA Solo and Ensemble Festival. The ADMS Student Council provided their support to the Sumter School District Christmas Festival for special needs students.

On behalf of the Alice Drive staff, we are pleased to announce Mr. Trevor Ivey as our Teacher of the Year for 2012-2013. Mr. Ivey is a sixth-grade science teacher for ADMS. We are proud to have him as our school representative.
