Chestnut Oaks Middle School fosters a safe learning environment where the focus is on Seeking excellence, Opting to use good manners, Activating listening and learning skills, and Respecting self and others (SOAR). Our Leadership Academy successfully completed its first year.

As a school, we experienced success in many areas; however, we still see opportunity for growth. Chestnut Oaks Middle School will continue to foster and promote student academic and character excellence. We will continue to implement the Teacher Advancement Program (TAP) as the framework to provide teachers with on-going professional development, instructional strategies based on best practices and student data, and opportunities for career progression within the classroom. We will continue to engage our parents and community by conducting workshops in the community. We will continue to set academic goals and monitor our progress in attaining these goals. With the combined efforts and support of teachers, students, parents, and staff, we believe that our students will experience the best education possible and will surpass our academic expectations.
