REPORT OF SUPERINTENDENT

The 2012-2013 school year was marked by outstanding performance and growth for the students, teachers, staff, and communities of Chesterfield County. All of our team is working together to provide a high quality educational experience for the approximately 7400 students that makeup our district. The success of our school district will be vital to the future success of our students and our county.

Our district is meeting the challenges that are presented to us academically and economically to perform at high levels. The dedication and commitment of our staff, parents, Board of Trustees, and other community leaders has allowed us to set high goals for our school district that we will work together to obtain.

During the 2012-2013 school year 7 of our schools were recognized as Palmetto Gold or Silver recipients for high academic performance. The schools recognized were Central High, Chesterfield High, McBee High, Long Middle, New Heights Middle, Jefferson Elementary, and Ruby Elementary.

The career and technology programs of Chesterfield County also enjoyed an extremely successful year with 229 high school students who completed a program of study in their chosen career cluster pathway. The research shows that high school students involved in Career and Technical Education are more engaged, perform better, and graduate at higher rates.

Our District Teacher of the Year, Robert Bollier, was recognized as the Charles Dickerson Community Service Award Recipient during the State Teacher of the Year Banquet. This award is given to the district teacher of the year that most exemplifies community service commitment. In June 2013, Mr. Bollier was also awarded the SC Association of Career and Technical Education Outstanding Teacher in Community Service.

This year's graduating seniors earned over \$4.9 million in academic achievement scholarships. The performing arts groups at all schools had an outstanding year. The marching bands from Cheraw, Chesterfield, and McBee High Schools all qualified for the finals, and the McBee High School band program qualified for the Outstanding Performance Award for overall performance by individuals and ensembles throughout the year and performed on the USS Arizona in Hawaii. The McBee Elementary Chorus performed at Disney World as a featured school performance group. The athletic programs at all four high schools also enjoyed a very successful year with seven teams winning region championships.

The students, faculty, and staff of Chesterfield County also worked to give back to the community. Our school district was an integral part of the county United Way campaign, Relay for Life, and First Steps fund raising efforts. This active participation by students and staff in worthwhile causes helps our district to model the caring attitude that is a trademark of Chesterfield County.

Chesterfield County Schools continues a long tradition of meeting the educational needs of our students and community. We are excited about meeting the challenges to provide a world class educational experience.
