REPORT OF SUPERINTENDENT

In Dorchester School District Four, our mission is to develop life-long learners who will have a positive impact on our global world. Achieving this goal requires the concerted efforts of all of our stakeholders—students, parents, faculty, staff, board members, and the community. Our district remains committed to providing students with challenging opportunities in a safe, positive learning environment. During the 2012-2013 school year, several initiatives and interventions were implemented to continue to close the achievement gap, increase our passage rates on standardized assessments, and raise our graduation rate. While the district experienced many successes, we realize that we must continue to work together to ensure that each student receives the quality education he or she deserves.

As we move forward, we remain focused on our vision to be an exemplary district where all students reach their maximum potential with the support of the district, home and community. Our district's infrastructure is one that supports the high academic expectations we have set for our students. We will use our resources to ensure students have access to tools that will enhance their learning experiences in Dorchester School District Four. Thank you to our stakeholders for your continued support. We appreciate your diligence and commitment to our students.
