REPORT OF SUPERINTENDENT

The South Carolina Annual School Report Card Summary is a comprehensive review of the previous school year's data from state-administered tests for HPEM and HPH. It is vital for the community to review information concerning our students and the schools. The school system welcomes comments and questions from students, parents, and community members. Our local school administrators are always working with faculty members towards improving student achievement, teachers' professional development and community involvement for our stakeholders.

Florence School District Two's students are administered the following state-mandated tests throughout the school year: HSAP, PASS, NAEP, ELDA, SC-Alt., and EOCEP. Our two schools, Hannah-Pamplico Elementary/Middle School and Hannah-Pamplico High School, are working extremely hard to make improvements in the areas that each state-wide test outlines as deficiencies. The resources are limited but the commitment is unlimited by our staff members to meet the challenges presented this past year.

Florence School District Two is very proud that Hannah-Pamplico High School has been declared a Palmetto Gold Award Recipient for Excellent results in general performance/student achievement in the Palmetto Gold and Silver Awards Program for 2012-13. Hannah-Pamplico Elementary/Middle School was declared a Silver Award Recipient for outstanding student academic performance in the Palmetto Gold and Silver Awards Program for 2012-13. The district is reviewing and anticipating the process of self evaluation through district wide accreditation for the upcoming 2013-2014 school year. The district will undergo district wide accreditation in April 2014. Hannah-Pamplico High School has worked extensively on reducing the number of dropouts and increasing the graduation rate. In the fall 2013, HPH will be administering MAP testing for the first time for the ninth and tenth graders for the identification of student deficiencies in the preparation for the HSAP assessment. Hannah-Pamplico Elementary/Middle School has continued to use IPADS/IPODS for grades 3-8 for instructional support. The Special Services teachers are using the Science Research Associates (SRA) model to assist our students in Reading/Math strategies at HPEM and HPH. The program continues to show significant gains and improvement for our students. The school administration, faculty and staff continues to analyze student performance, provide rigorous content instruction, provide key assessments, provide instructional coaching techniques to all staff members. Florence School District Two is being proactive in making their schools the best they can be for their students.

It is the responsibility of all involved to provide our teachers, students, and staff the resources they need to make a difference in student achievement. Our primary goal is to produce graduates who are competitive, well-rounded, and prepared for the post-secondary challenges they desire to pursue. Our school is representative of the local community in terms of size, race, gender, economic status and special services related challenges of individuals.

If at any time you have questions or comments, please feel free to contact anyone on the Florence School District Two administrative team for assistance. Please call me at 843-493-2502 at any time.

Robert E. Sullivan, Jr.
Superintendent
