REPORT OF SUPERINTENDENT

Lexington School District Three is proud to continue our mission of "preparing students for the future...now". During the 2012-13 school year, our students and employees continued our tradition of excellence in academics, athletics, and extracurricular activities. All district teachers worked towards the goal "to improve reading fluency, reading comprehension and writing skills of all Lexington School District 3 students to the extent that the district's reading and writing scores exceed state averages and national norms". Lexington District Three teachers participated in training related to the implementation of Common Core State Standards, new assessments, and best practices relating to literacy, student engagement, and technology integration. The district literacy initiative continued with implementation of Daily Five at B-L Primary School, Write from the Beginning at B-L Elementary School, and rigorous reading and writing expectations as outlined by High Schools that Work at B-L Middle and B-L High School. Batesburg-Leesville High School implemented a Freshman Academy model for students in ninth grade to address the transition needs from middle to high school. Additionally, the summer reading challenge was extended again to all students in grades K-12. Students in grades K-5 received eight books per child through the Literacy Matters collaboration with the State Department of Education. Students in grades 6-12 also received two books each through generous donations of school PTOs and fundraisers.

B-L Middle School and B-L Elementary School both received Palmetto Silver Awards for Academic Achievement. B-L High School received the Summa Cum Laude of Achievement for Excellent Improvement on the 2011-12 ACT and the Magna Cum Laude of Achievement Award for Rapid Improvement on the SAT from the State Department of Education. B-L Primary School continued to receive an Excellent rating on the school EAA report card. The B-L High School Class of 2013 also had the top six percent of the graduating class receive Palmetto Fellows Scholarships, in addition to a total of over \$4 million in scholarship awards.

Through a Mid-Carolina Bright Ideas Grant, over 150 B-L Primary School students participated in Talk to the Hand, a club designed to teach students how to communicate using sign language. Lexington District Three students and faculty also continued support of community needs through generous fundraising and donations to Jump Rope for Heart, Relay for Life, St. Jude's Trike-a-Thon, United Way, and Oklahoma Tornado Relief. Our students and staff continued excellence on the field yielding State titles in Track and Field at the student and coach level. The B-L High Marching Band placed third in State A competition.

We thank you for your continued support! Working together, we will continue to provide every student with an opportunity for success.
