## REPORT OF SUPERINTENDENT

2012-2013 was an outstanding year for the students, teachers, staff, and community of Spartanburg School District One. "Student Centered Education" continued to be our focus as we served approximately 5,100 students with top quality programs and opportunities. Dedication and support from our staff, parents, Board of Trustees, and community continued the tradition of high academic goals throughout Spartanburg District One schools.

For high levels of absolute performance, the South Carolina Department of Education awarded the Palmetto Gold to Campobello-Gramling School, Chapman High School, Holly Springs-Motlow Elementary, Inman Elementary, Inman Intermediate, Landrum High School, Landrum Middle School, New Prospect Elementary, O.P. Earle, and Mabry Middle School.

Spartanburg School District One continued to be committed to the importance of literacy and reading. For the second consecutive year, the top three finalists for the South Carolina International Reading Association's Exemplary Reading Schools Award were schools from Spartanburg School District One. Holly Springs-Motlow Elementary and Inman Intermediate School were named honor schools and Campobello-Gramling School was named the SCIRA Exemplary Reading School for 2013. Landrum Middle School received a national Making Middle School Work Award for "Depth of Implementation" based on school practices and student achievement.

This year's graduating seniors earned over \$12 million dollars in academic achievements and scholarships. Student scores on PASS, ACT, and SAT continued to be among the highest scores in the state. The arts program across the district continued to excel with numerous successes and student awards in band, strings, and the visual arts. Athletic programs in our school district were successful with Chapman High School and Landrum High School winning 10 Region Championships and 1 State Championship.

Spartanburg School District One continues to prepare for the future educational needs of our students through ongoing staff development and infrastructure to provide our students the tools they will need to be successful in the 21st century. On an average, each school provided over 40 hours of staff development focusing on Common Core State Standards and also conducted a district first "Common Core Institute for Teachers". An ambitious district wide infrastructure providing 100% wireless coverage for each school site was completed in 2012-2013.

The long tradition of excellence continues in Spartanburg School District One. We are appreciative of the support and hard work of our entire District One community, staff, and students. We will remain "student-centered" as we work to meet the challenges in the coming years and provide a safe, nurturing environment for our students and teachers to "become the best".

Ronald W. Garner, Ed. D., Superintendent
