## Report of Principal and School Improvement Council

The assessment component of our plan calls for the use of DIBELS to monitor the reading progress of students who are having difficulty throughout the year. We are continuing our program where all of the students who scored "at-risk" or "intensive" were tested more frequently. Testing students bi-monthly has allowed us to get a more accurate picture of the effectiveness of our interventions, and we adjusted them accordingly. 54 3rd, 4th and 5th grade students fell into these areas and were given the opportunity to attend our "After School Magic" program where they received additional assistance from 2:15 until 3:50 three days a week. The improvement these students have shown from this extra intervention has been remarkable. All of this information will provide a better idea of how students are performing and how best to meet their needs as we continue to see the number of "at-risk" students decrease. Westwood also offered an after school GATE enrichment program. This program lasted from 2:20-3:30 three days a week and served approximately 60 students.

We were encouraged by this years MAP scores. MAP testing is administered once in the fall, once in the winter, again in the spring, and after PASS is administered. MAP is a way of gauging academic growth and projecting where students will perform on the PASS Test. All students at Westwood showed growth according to their MAP scores. Translating the scores into their PASS equivalents allows us to compare the past scores from PASS to how they performed this year on MAP.

We were able to provide remediation and enrichment for our students through our related arts teachers. Creative scheduling allowed each of these teachers an hour and a half each morning to work with our students in the areas of math and reading.

Westwood continues to use the Data Room in the school. Students in the school are tracked based on their MAP, CAI, and other data sources to follow student performance and mastery of standards.

We continued the implementation of the schedule from last year by having all related arts classes after 11:30. This allows for more uninterrupted instruction in the morning which statistically is the most important time for students to retain information.

Thus far, 2012-2013 has been a very productive year. We are certainly encouraged by the data we have seen and look forward to taking PASS.

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>87.8</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Westwood Elementary school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
