Report of Principal and School Improvement Council

Coosa Elementary School had a very successful 2012-2013 school year. The school met AYP (Adequate yearly Progress) under the federal "No Child Left Behind" legislation. On the 2012 School Report Card, we scored a rating of Good both for Academic and Growth Ratings. On the 2012 ESEA Federal Accountability System Report, we scored an overall total of 96.3 (A). We continue to seek and implement ways to achieve academic success for all students.

We just completed our first full year of the leadership development initiative "The Leader in Me," based on Dr. Stephen Covey's book, *The 7 Habits of Highly Effective People*. The 7-Habits, which serves as the framework for the Coosa school theme of "Lowcountry Leaders," empowers students to make good choices, plan ahead and prioritize, work well with others, and take care of themselves – body, mind, and spirit. It is modeled by the teachers and staff, embedded into the curriculum, and a ubiquitous presence throughout the day. Leadership, respect, responsibility, and integrity make up the core values of the school's PBIS (Positive Behavior Intervention Support) initiative.

The success of Coosa Elementary can be attributed to the participation, involvement, and collaborative efforts of dedicated students, parents, faculty and staff, and a community that sees the value and need for a quality education. The Coosa Business Partners offer time and assistance throughout the school year. The combined efforts of all these stakeholders provide an invaluable support system for our next generation.

The Coosa Instructional Coaches in Literacy, Math, and Technology support teachers in further developing effective instructional practices through professional learning opportunities and acquisition of resources. As a faculty and staff, we continue to hold high expectations of ourselves as educators, as well as our students, and work tirelessly to see that each and every student receives a rigorous and fulfilling education.

A very active School Improvement Council and Parent Teacher Organization, along with the faculty and staff, offers feedback in our ongoing self-evaluation and yearly update of the School Renewal Plan. The strategic goals of this plan are aligned with the school district goals and include increased student achievement, use of "best practices," actively engaging community and stakeholders, providing resources to support learning, ensuring a safe and healthy environment, and effective communication.

Coosa continues to focus on our priority of "growing great leaders who dream more, learn more, achieve more, and become more."

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
