## Report of Principal and School Improvement Council

It was another great year at H.E. Bonner Elementary School. Our staff, students and volunteers provided an exceptional environment where students are realizing and celebrating academic and personal achievements daily. Bonner Elementary is a rural school located nine miles northeast of Moncks Corner, South Carolina. We serve approximately 825 students from nine small communities. Our greatest assets are our community and faculty that are committed to helping all children succeed.

Our school received The Palmetto Silver Award for improving test scores and the South Carolina's Arts in Basic Curriculum Grant. We continuously assess student performance and use the data to help guide our instruction and target specific student needs. We have continued programs such as Accelerated Reader, FASTTMath, IXL, technology instruction, inquiry based science lessons, and Roscoe Reading. These programs add an element of fun which helps students to understand that learning can be enjoyable. Technology is a primary focus for our school. We want to provide technological equipment for our students that will help them to be competitive in their later employment. We currently have Kindles, Kindle Fires, netbooks, iPad Minis and six computer labs which we use to enrich classroom experiences.

Our parent and community volunteers have been a crucial component of our success this year. The numerous hours they spent at Bonner helped our faculty, staff, and students in many ways. Our business partners volunteered their time to help implement "Math Buddies" which provided extra support for students to learn basic math facts. Our PTO board has continued their efforts to support educational field trips with all Box Top money received from the Box Tops for Education Program. Our students traveled to the Columbia Zoo, Columbia Edventure Museum, and Wonder Works, just to name a few. These educational activities create a lifetime of memories for our students and their families. The PTO, community members, and parent volunteers were models for our focused character traits and truly made it an exciting year.

"Bonner's Academy of the Arts" finished the year with an incredible spring showcase, "Journey to Oz". We are looking forward to our third year of training with Sean and Melanie Layne, national trainers with Focus 5. The implementation of Common Core will be a natural fit to the arts initiatives that we have been learning about during many of Bonner's staff developments. Feedback has been positive concerning our arts integration. The arts strategies engage our students while allowing them to create and explore while learning. Bonner's school within a school program will continue for the 2013 – 2014 school year. These initiatives will assist us in our goal to reach every child.

Through our shared purpose, vision, commitments and goals, the Bonner staff, parents, and community will continue to work diligently to ensure every student's success.

Lisa Johnson, School Improvement Council

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>78.0</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

## Accountability Indicator for Title I Schools

Bonner Elementary School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
