Report of Principal and School Improvement Council

C C Blaney Elementary School is a Title 1 school with a total enrollment of approximately 300 students. This rural community structured school located in Hollywood, SC, has a grade-span of three year old Head Start to 6th grade. CC Blaney is considered a community focused elementary school within the Charleston County School District.

During this school-year, students and faculty worked with families and community leaders to participate in a variety of academic and social activities. Our student mission states "we believe that we shall strive daily to be the best we can be and that we will graduate". Staff members attended workshops and conferences, enrolled in courses and visited other classrooms to enhance instruction. Most of our third grade to sixth grade students participated in our after-school enrichment program for PASS preparation in writing, math, ELA, social studies and science. Title One, PTA and SIC sponsored many events including Breakfast Events, Donuts for Dad, Muffins for Moms, Grits and Gravy for Grandparents, PASS Family Night, Black History Celebration, Holiday Tea, Miss Blaney pageant, a community-wide Thanksgiving Dinner and Spirit Days.

Positive Character Education and Response to Intervention (RTI) continue to be two major focuses for the school and the means of guiding our efforts in developing solid citizens. The 2012-13 school year reflects the growth of students moving out of the Red Zone and into the Yellow and Green Zones through interventions and more personalized learning strategies. The school's CORE Team met weekly to address the diverse needs of the student population both inside and out of the classroom. The school utilized several research-based intervention programs to assist struggling learners, including Cars and Stars, Voyager Expanded Learning, Reading Workshop and Writer's Workshop. The school implemented a Primary Grades Academy designed to provide prescriptive interventions in areas of literacy and math.

Blaney Elementary School is committed to the success of each child. Our students continue to show growth in all areas: academically, socially, and physically. We are committed to providing a child-centered and developmentally appropriate learning environment to ensure success for all children.

Richardine Chaplin, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
