## Report of Principal and School Improvement Council

The faculty and staff of W. B. Goodwin Elementary have defined specific educational goals as we continue our journey toward academic excellence. It is important for teachers, students and parents to know and understand each child's level of understanding and collectively develop plans to help every student make appropriate progress. We are benchmarking student progress by analyzing various data periodically that include Measures of Academic Progress (MAP) for kindergarten through fifth graders, Aims Web progress monitoring for kindergarten through fifth graders, and the DIAL 4 for child development students. The administrators, teachers and students update goals after each assessment. Celebrations occur as the students meet their goals and new goals are then developed or in some cases revised. Teachers use the data in making instructional decisions so that they can continue to meet the needs of all students. Through our CORE process, interventions are implemented and progress-monitored to be sure we continue to serve our children appropriately.

The Common Core Standards and the CCSD Coherent Curriculum are the blueprints for our instructional planning and delivery. We set challenging goals for our students because we believe that "high expectations result in exemplary performance". Grade level teachers meet with the principal and Instructional Resource Teacher on a weekly basis to discuss student progress.

In 2012, Goodwin Elementary maintained an Average absolute rating on the State School Report Card. The emphasis placed on relationships with students and their families, rigor and relevance, Personalized Learning, and student responsibility has resulted in improved student achievement for students in all ethnic groups. We are excited that twenty percent of our student body is Hispanic and we now have two ESOL teachers on campus to support these students and their families. Everyone at Goodwin makes a commitment to all children so they know and feel success. We know that our students have great potential and we are committed to helping them reach that potential.

The principal has an open door policy to ensure a school climate that is friendly and inviting. It is essential to work together as we move forward to guarantee the success of all Goodwin Elementary students.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>66.5</b>
<b>Overall Grade Conversion</b>	<b>D</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

W. B. Goodwin Elementary School school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
