## Report of Principal and School Improvement Council

Orange Grove Elementary Charter School, a National Blue Ribbon and Palmetto's Finest school, has been serving the students of Charleston County for 49 years, first as a traditional public elementary school and, for the last seven years, as a conversion charter school. Becoming a charter has allowed us to be fiscally conservative, thus allowing us the ability to offer small class sizes, Spanish Instruction, Academic Specialists at each grade level, bus transportation, and the latest technology throughout the building. Becoming a charter school has also allowed us the autonomy to make curriculum and financial decisions that directly benefit our students and ensure their success.

On both the state PASS test and the nationally-normed MAP tests, our students are consistently surpassing grade level means, with many students scoring a full grade level above. More than 30% of our third through fifth graders have been identified as academically gifted. Our instruction program is rigorous and data driven, with a focus on both state and Common Core standards. Nearly 80% of our teachers have advanced degrees, and 12 have National Board certification. We have consistently received recognition by the state for our academic accomplishments. This year we were a Gold/Gold school with an Excellent/Excellent rating.

We have over 20 active business partners and a PTO that cannot be matched. Each year they help sponsor an Artist in Residence program that gives all of the students hands-on instruction in the visual and performing arts. Extracurricular activities available to the students include: National Elementary Honor Society, Student Council, the Tech Tigers, the Recycling Club, Invention Convention, WTMN News Show, Chess Club, Strings, and Chorus. For our athletes, we offer basketball, tennis, golf, and yoga. Additionally, our inaugural Lego Robotics team represented us well this year at the county level. Families enjoy participating in the pancake breakfasts, Family Nights, Spring Fling, Silent Auction and the Holiday Shop.

Orange Grove Elementary Charter School is truly a place "Where Great Minds Grow."

Brian E. Alexander, Chair Board of Directors

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
