## Report of Principal and School Improvement Council

Our motto for the 2012-2013 school year has continued to be "Building a Strong Foundation." Students and staff members have worked hard to put the necessary academic building blocks in place to allow each student to achieve success this year and to continue building the foundation for life-long learning. As a result, our school earned the 2011-12 Palmetto Silver Award.

The South Carolina Curriculum Standards and the Common Core State Standards are the basis for instruction and assessment at Limestone-Central Elementary School. To strengthen the reading and writing foundation for students in grades K-3, three part-time reading interventionists have worked with students this school year. Implementation of small group intervention in reading and mathematics for students in grades K-5 has helped strengthen the academic foundation for students as well.

Character education is an important building block in the foundation of our students. We teach and recognize a character trait each month, and students participate in character celebrations at the end of each quarter. In addition, students participated in service projects for the American Heart Association, Make-A-Wish, Relay for Life, the Salvation Army, and Peach Center Ministries.

We are very proud to announce that our school's first Odyssey of the Mind team placed in the South Carolina competition and competed at the world competition in Michigan. Mrs. Melody Bradley was our Distinguished Teacher of Reading and Mrs. Jennifer Summey was named Teacher of the Year for Limestone-Central. We are proud of the hard work and dedication of these and all of our teachers and staff.

We are also proud of our partnerships our community, business partners, Limestone College, and with parents and family members through the PTO. Our PTO has provided transportation for field trips, behavior incentives, repairs to playground equipment, t-shirts for 5th grade students to wear at the Too Good for Drugs Graduation, and numerous additional items requested by teachers and students. Our school continues to provide an after-school mentoring and tutoring program with the support of Limestone-College and its athletic and education students. These partnerships serve as keystones in the strong foundation of support and opportunity for our students at Limestone-Central.

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
