**Report of Principal and School Improvement Council**

Lewisville Elementary has been one filled with continuous collaboration, excitement, academic achievement and challenges. Improving student achievement continues to be a top priority. We have received the Palmetto Silver Award for the fourth consecutive year. In addition, Lewisville Elementary was also recognized as a Title 1 Reward School for Performance and a Title 1 Reward School for Progress. These academic achievements are attributed to the hard work and dedication of our students, teachers, parents, and community members. We are a team!

At Lewisville Elementary, we continue to strive to promote a professional learning community, which involves collaboration and team building. Teachers are given common planning to collaborate about instructional practices for all students. Discussions are held to provide enrichment as needed. In addition, all teachers serve on various teams to ensure that the needs of the whole child are addressed. Collaborative teams include: School Leadership Team, Data Team, Common Core Implementation Team, Response to Intervention (RtI) Team, and Climate Team. During the 2013-2014 school year, Lewisville Elementary will also serve as a pilot school for the Coordinated Approach to Child Health (C.A.T.C.H). This program is designed to promote physical activity, healthy food choices, and the prevention of tobacco use in children.

Lewisville Elementary believes in strong community and parental support as Lewisville is a community that is involved in its school. The Watch D.O.G. (Dads of Great Students) has been implemented. This program affords fathers and father figures to volunteer in the building and assist with mentoring, tutoring, or providing assistance in the classroom. Our outstanding Parent Teacher Organization (PTO), School Improvement Council (SIC), parent volunteers, community volunteers, and local businesses also work hard to help improve student achievement. Their dedication and fiscal support of these individuals helped to enhance and build the instructional programs and activities at Lewisville Elementary.

Various extracurricular activities are provided for our students, which include the LES Cub Chorus, Student Council, Flag Patrol, Safety Patrol, Cub Club, Walking Club, WLES News Crew, and Wee Deliver Mail Carriers.

We continue to promote teacher leaders at Lewisville Elementary. As part of the NetSCOPE partnership, in conjunction with Winthrop University, teachers are afforded opportunities to mentor and train interns. They are also provided with a myriad of professional development opportunities in many content areas. In addition, professional development is often teacher driven and teacher led. Teachers continuously review data from needs assessment surveys to determine areas of concern, which has been a major responsibility of our Data Team and Common Core Implementation Team.

Lewisville Elementary strives to increase student achievement by promoting a collaborative learning environment. With the strong support of parents, community, and a dedicated staff, Lewisville Elementary continues to serve students in a nurturing, caring environment, ensuring success to each individual child.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
