## Report of Principal and School Improvement Council

The 2012-2013 school year at Jefferson Elementary School has proven to be a successful one. Our students continue to make significant gains in academics, athletics, and community service. We are proud of their accomplishments.

Jefferson Elementary School strives to meet the rigorous requirements set forth by the state of South Carolina and the federal government. All certified and non-certified staff meets the "Highly Qualified" status defined by NCLB. Students at Jefferson Elementary continue to increase PASS scores in all areas. For this effort, our school has earned an "Excellent" classification for overall rating on the School Report Card for this school year. As a result of this accomplishment, Jefferson Elementary School has been recognized as a Palmetto Silver Award winning school in 2004-2005, 2005-2006, 2006-07, and 2007-08. In 2010-11 and 2011-12 we received a Palmetto Gold Award for our "Excellent" rating.

In addition to instruction received in the classroom, Jefferson Elementary tries to enrich and broaden the students' educational experiences through various extracurricular activities. Educational field trips are taken to aquariums, museums, zoos, and state parks. Sandhills Fire Department spends one day with us in October to demonstrate to students aspects of fire safety. PTO has sponsored many activities this year for students including: Mega Party, Awards Days, All A Banquet, Honor Roll Party, and student dances.

Jefferson Elementary students have the opportunity to participate in various community service projects. This year the students have raised \$3,000 + for The American Cancer Society through Relay for Life, collected many pints of blood for the Red Cross, and raised over \$1,200 for St. Jude Children's Research Hospital through participation in St. Jude Math-a-Thon.

Jefferson Elementary School is committed to excellence and is proud to provide a safe and nurturing environment that challenges all of its students to grow and learn. With the support of parents, community, and businesses, the students of our school will continue this tradition.

Beverly Kirkley, School Improvement Council Chair

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>97.8</b>
<b>Overall Grade Conversion</b>	<b>A</b>
