Report of Principal and School Improvement Council

The 2012-2013 school year has been very challenging and rewarding at Ruby Elementary School. We have continued the ongoing tradition of providing a child-centered environment that challenges and nurtures our students. Through extremely hard work and dedication from our faculty, staff, students, parents, and community volunteers, many positive achievements have taken place.

Ruby Elementary maintained South Carolina and Southern Association of Colleges and Schools Accreditations. We earned a 96 A on ESEA: 2012 Federal Accountability System.

Students at Ruby Elementary continue to increase PASS scores in all areas. Ruby Elementary earned a Good on Absolute rating on 2012 School Report Card. As a result of this accomplishment, Ruby Elementary received the Palmetto Silver Award for general performance and Silver Award for making substantial progress in closing achievement gaps in the 2012 Palmetto Gold and Silver Awards Program.

Parents and community involvement in the school was encouraged in many ways. Grandparents were invited to lunch for Grandparents' Day. Several members of the community were invited to share their favorite books with students during "Ruby Reads". Parents were invited to participate in events such as parenting workshops, book fairs, reading with students, as well as end of year programs and awards ceremonies. The community as a whole is dedicated to our students.

Ruby Elementary Students have the opportunity to participate in various community service projects. This year students raised over \$3,000 for the American Cancer Society through Relay for Life.

Ruby Elementary continues to work cooperatively with the community to provide a positive environment that enables all students to earn a quality education. We envision continued success during the 2013-2014 school year.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
