Report of Principal and School Improvement Council

Knightsville Elementary School will continue on the road to excellence! Excellence is our standard, and our children will continue to surpass it. Our school is the home to over 1,100 jamming jaguars with a world class faculty and staff. Over the last two years, KES has shown significant academic gains and continues to move toward even greater success.

As part of a high performing school district, Knightsville Elementary School is dedicated to maintaining high expectations with rigor and relevance while supporting strong relationships among the students and school community. This school year has proven to be a banner year for KES. Our school received the South Carolina Palmetto Gold Award for academic achievement, as well as, the South Carolina Palmetto Gold Award for Closing the Achievement Gap. Both of these prestigious awards recognize our school's academic achievement and commitment and student success. We are extremely proud of our students, teachers, and parents as they have worked diligently to ensure social, emotional, and academic successes for all of our students.

Knightsville Elementary School's mission, vision, beliefs, and goals are summarized using three simple words: love, learn, lead. It is our desire to create an environment where the adults in the school love children, teach the children to love themselves, and teach our children to love others. The environment includes high standards and expectations for learning. Our children are expected to learn during every minute of the day. We want the stakeholders at Knightsville Elementary School to be leaders of themselves, others, the community, and the world.

Children at Knightsville Elementary School not only achieve high academic success, but they receive strategic instruction on core lifelong guidelines building character and citizenship. Our Positive Behavior Interventions and Support (PBIS) focuses on our ROAR Procedures – Respect, Order, Achievement/Attitude, and Responsibility. You will find this as an overall theme when you visit our school. We have implemented numerous interventions and support services that enable all our children to find success each day.

Our Knightsville Elementary School families, teachers, and community partners are a driving force behind our school's successes. Through our Parent Center, PTA, the School Improvement Council, and Title I programs the school's stakeholders participate in numerous events to meet the needs of all students.

We are very proud of all the wonderful successes, and we are committed to achieving greater results in the years ahead. Keep ROARing!

Dr. Wally Baird, Principal and Kerry Contrerez, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
