## Report of Principal and School Improvement Council

Throughout the 2012-2013 school year, Williams Memorial Elementary remained consistent in providing its students with a top of the line, student-centered educational experience. As a result of our hard work, WMES received another Palmetto Gold Award from the State Department of Education for outstanding student achievement.

WMES enters its fourth year as a TAP (Teacher Advancement Program) school, providing teachers with ongoing, focused professional development and teacher performance incentives for student and school growth. All of the teachers at WMES are highly qualified with fifteen of them being Nationally Board Certified.

In the classrooms, students are being offered sound standards based instruction through student-centered, hands on activities. The teachers analyze all of the data from each of the school's many assessments to develop differentiated learning opportunities through small group instruction, literacy work stations, learning centers and flex grouping.

Beyond the classroom, hundreds of our students excelled in one of our many extra-curricular offerings that included Chorus, Basketball, Student Council, Soccer, TNT News Team, Recycling Team, Drama and Stagecrew. Also, in just their second year as a club, the Robotics team, The Groovin' Grands, advanced through regional qualifiers by placing first in the Dorchester County regional qualifier. At the state level they performed exceptionally, placing first in the Research Presentation category.

Our parents, grandparents and community members continue to take an active part in the school by volunteering to be on the School Improvement Council or by taking an active role in our very supportive and hard working PTA. Families and community members joined us at our Academic Nights, Grandparent Luncheons, Veteran's Day Luncheon, WMES sporting events and Character Student of the Month breakfasts. As we close the door on another successful school year, we can say with complete confidence that we are and always will be "Paws"-itively the Best.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>86.5</b>
<b>Overall Grade Conversion</b>	<b>B</b>

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
