Report of Principal and School Improvement Council

The faculty and staff at Clay Hill Elementary, along with the School Improvement Council, have worked diligently to address the needs of our student population. Through continuous analyses of data, initiatives and programs are evaluated and developed to keep our academics focused on key areas of concern.

MAP assessments are administered three times each year. Data gathered from the results are used to guide our instructional approach as the school year develops. In conjunction, our after school program and small group instruction are developed from the results of these assessments.

At Clay Hill Elementary, we also use results from the Study Island computer program to identify and address academic needs of our students. Results are analyzed weekly to gauge students' progress on specific standards in core area subjects. Students are given instructional assistance based on their performances on the standards identified within the program.

The services of consultants in the areas of math and writing have been utilized throughout the 2012-2013 school year. To transition to the Common Core curriculum, these consultants have worked with teachers and students to address specific adaptations and adjustments needed to be successful with the new curriculum. Along with addressing the academic needs, the socio-emotional needs of students are addressed through various programs and initiatives. Some programs instituted at the school include: Character Student of the Month, Exemplary Eagles, Junior Robotics, Recycling Troopers, Junior Beta Club, Cheerleading, and Intramural Basketball. Children are encouraged to participate in these programs to become more well-rounded students. As a school, we are continuously seeking ways to improve education for our students. Parents, stakeholders and community members are encouraged to be a part of the educational process. Their involvement is crucial to our success here at Clay Hill Elementary School.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	97.5
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Clay Hill Elementary school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
