Report of Principal and School Improvement Council

Stone Academy is an inner-city arts magnet school of 636 students serving an assigned downtown neighborhood and students from across the county who apply to attend. Approximately 26% of students qualify for free/reduced meals, 31% are magnet and 40% of students in grades 3-5 qualify for Challenge.

We continued addressing our 4 multi-year goals for continuous improvement that included: Improving reading and writing achievement of all students across grade levels; Improving math achievement of all students across grade levels; Improving technology skills of students, teachers and parents to improve overall achievement; Improving parent communication and involvement to improve overall achievement.

This year's focus was on iPad training and Autism Awareness. During the year teachers and staff acquired skills and strategies for using an iPad effectively and working with Autistic students to maximize their potential.

Stone Academy met Annual Year Progress (AYP) by meeting 17 of the 17 standards set by the U.S. Department of Education in the "No Child Left Behind Act".

Stone maintained for the fifteenth year its status as an ABC (Arts in the Basic Curriculum) Advancement Site and received funds to support artists-in-residence and staff development. The school-wide instructional theme was "Ubuntu." The annual school-wide production was an original script that featured this theme and showcased music, dance, drama, and art. First grade again did a Peter Rabbit musical, the second grade again performed the American History Timeline pageant, and third grade did a South Carolina History pageant.

Many students successfully auditioned for the various performing groups at school with 70 in Stone Singers, 17 in Dance Ensemble, 22 in Play Production, and 55 students in strings. Jumpstart News continued as a daily, live student-produced TV program. Five crews of 15 members of fourth and fifth graders served during the school year. Encore enrichment classes before and after school offered continued learning experiences in art, music, dance, drama, and writing. Friday clubs were offered to fourth and fifth grade students and featured drama, dance, literature, publishing, physical activities, artistic creation, and music.

The SIC oversaw, parent education programs and HOG Day to landscape the campus. Stone received the Palmetto Gold Award, for an excellent Annual School Report Card and good improvement rating.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
